

■ COMPANY PROFILE · 2026

Building tomorrow, on solid foundations.

A construction company for public and private works, based
in Thebes, Greece.

■ WHO WE ARE

Company profile

KADMOS started in 1979 as a family business and became a Société Anonyme in 1995. Since then it has grown steadily, taking on demanding public and private projects with its own heavy machinery fleet, experienced staff and strict quality control.

1979

Founded

1995

Société Anonyme

60+

Employees

7

Engineers on staff

Aggregate crushers

Long Reach booms up to 30 m, hydraulic breakers and demolition equipment for demanding environments.

ISO certifications

ISO 9001 Quality Management	ISO 14001 Environmental Management	ISO 45001 Occupational Health & Safety	ISO 27001 Information Security
ISO 50001 Energy Management	ISO 39001 Road Traffic Safety	ISO 22301 Business Continuity	ISO 41001 Facility Management
ISO 37001 Anti-Bribery	ISO 26000 Social Responsibility	SA 8000 Social Accountability	11 Certified systems

The background image shows a construction site. In the foreground, a yellow CAT excavator is positioned on the right, with its arm extended towards the left. To its left, a yellow CAT truck is visible, with the 'CAT' logo prominently displayed on its side. The scene is filled with dust and debris, suggesting active construction work. The overall color palette is dark and muted, with the yellow of the machinery providing a strong contrast.

Our projects

A selection of projects we have delivered.

Industry & energy

DEMOLITION

Hellenic Halyvourgia S.A.

Aspropyrgos, Attica

POWER GENERATION

HERON II

Boeotia

Flood protection
